13. **DATE OF EXAMINATION:-**

The date of examination will be notified on the official website of S.S.S.C. (www.sssc.gov.in) and candidates are advised to regularly visit the official website S.S.S.C.

14. **MODE OF SELECTION:-**

The Candidate shall have to take Computer Based Test of 60 marks, comprising of 60 objective type multiple choice questions on English Composition and General Knowledge. Each question will carry 1 mark with no negative marking and test will be of 1 hour duration. The merit of Computer Based Test shall be prepared on the basis of normalized marks (***refer to page No. 7 for details on normalization of marks***) in case the said test is held in multiple shifts and candidates equivalent to three times of the advertised vacancies (in order of merit) would be shortlisted for English Shorthand & Transcription Test and Spreadsheet Test. If two or more candidates are having equal marks to the last shortlisted candidate called for English Shorthand & Transcription Test and Spreadsheet Test, then all such candidates will also be called for English Shorthand & Transcription Test and Spreadsheet Test. It is clarified that mere participation in shortlisting Computer Based Test will not give any right to the candidate to participate in English Shorthand & Transcription Test and Spreadsheet Test. **Further, it is clarified that the marks obtained by a candidate in Computer Based Test will not be counted in determining the final merit.**

The candidates shortlisted on the basis of Computer Based Test shall be required to take the following tests:

1. **English Shorthand & Transcription Test :-** The candidates shall take down dictation at the speed of 80 W.P.M. in English Shorthand and then transcribe the same on the computer at the speed of 20 W.P.M. No candidate who commits more than 8% mistakes shall be considered to have qualified the test.
2. **Spreadsheet Test :-** This test shall be only of qualifying nature, of 10 marks and of 10 minutes duration. To qualify Spreadsheet Test, a candidate shall have to secure 40% or more i.e. 4 or more marks.

Note:- Answersheets of English Shorthand & Transcription Test will be checked only of those candidates who will secure 4 or more marks in Spreadsheet Test.

The number of candidates as decided by the High Court, who qualify the English Shorthand & Transcription Test as well as Spreadsheet Test, will be called for checking of Original Testimonials/Interaction.

Thereafter, Select List of the qualified candidates will be prepared strictly on the basis of merit in the English Shorthand & Transcription Test only. Name of eligible candidate (s) higher in merit (i.e. those committing less mistakes) would be recommended for appointment as per the number of vacancies to be filled. In case, if two or more candidates have committed same no. of mistakes, then the candidate elder in age among the same scorers be kept higher in merit. Still

further, in case, any such even scoring candidates are having the same date of birth, then they will be placed alphabetically (A-Z) in the concerned merit list. Station of posting will be allotted strictly on the basis of merit.

ANSWER KEY AND SEEKING OF OBJECTIONS/CROSS OBJECTIONS

After the completion of the Computer Based Test, provisional Answer Key shall be provided to the candidates on the official website of S.S.S.C. i.e. www.sssc.gov.in. Candidates will be given opportunity to raise objections to the Answer Key. A nominal non-refundable fee of ₹25/-per objection will be charged. Candidates will also be given opportunity to file cross objection against the proposed changes suggested by the candidates.

NORMALIZATION OF MARKS

If Computer Based Test is held in multiple shifts, normalization of scores shall be carried out using the below mentioned **Standard Deviation Method** (calculation of marks will be up to 5 decimals places):

Normalization marks of j^{th} candidate in i^{th} session $\hat{M}_{ij}$ is given by:

$$\hat{M}_{ij} = \frac{\bar{M}_t^g - M_q^g}{\bar{M}_{ti} - M_{iq}} (M_{ij} - M_{iq}) + M_q^{gm}$$

M_{ij} = is the actual marks obtained by the j^{th} candidate in the i^{th} Session.

$\bar{M}_t^g$ = is the average marks of the top 0.1% of the candidates considering all sessions.

M_q^g = is the sum of mean and standard deviation marks of the candidates in the paper considering all sessions.

$\bar{M}_{ti}$ = is the average marks of the top 0.1% of the candidates in the i^{th} session or marks of topper if session strength is less than 1000.

M_{iq} = is the sum of mean marks and standard deviation of the i^{th} session.

M_q^{gm} = is the sum of mean marks of the candidates in the shift having maximum mean and standard deviation of marks of candidates in the examination considering all shifts.
